

# Direct links from Fényeslitke

Get moving with EUROGATE Rail Hungary's connections from Fényeslitke to key destinations across Europe! Our rail services are now ready for use, ahead of the East-West Gate terminal's planned operational start.

## Introducing seamless, non-stop rail services to several European hubs

In addition to Budapest, we can offer regular services to Munich, Duisburg, Vienna, Arad, Hamburg and Milan as a block train service.

## Interested in connections to other destinations? Design your perfect journey with our customised solutions!

Services to more European locations are available upon special request. Our team is happy to support your individual requirements.
